

ANNEX		
Implementation Progress of Tripartite Joint Action Plan Environmental Cooperation (2015-2019) since TEMM19		
PA	Sub-PA	Current Implementation Status
1. Air Quality Improvement	A. Air Pollution	<ul style="list-style-type: none"> • Tripartite Policy Dialogue on Air Pollution (TPDAP): The 5th Tripartite Policy Dialogue on Air Pollution was held on 7-8 Feb 2018 in Seoul, Korea. • The meetings of Working Group I (Scientific Research on Prevention and Control) and Working Group II (Technology/Policy on Air Quality Monitoring and Prediction) were held back to back with the 5th TPDAP.
	B. DSS	<ul style="list-style-type: none"> • DSS Directors General Meeting (DSS DGM): The 13th DSS DGM was held in May 2018 in Suzhou, China. • DSS Steering Committee Meeting (DSS SCM): The 12th DSS •SCM was held back to back with the 13th DSS DGM. • DSS WGI & WGII and Related Meetings: The 10th meeting of WGI was held in November 2017 in Lanzhou, China. • The 10th meeting of WGII was held in December 2017 in Yamanashi-ken, Japan. • Tripartite Joint Workshop between WGI and WGII: The 3rd Joint Workshop between WGI and WGII was held during TEMM20 in Suzhou, China.
2. Biodiversity	A. Biodiversity Conservation	<ul style="list-style-type: none"> • Tripartite Policy Dialogue on Biodiversity (TPDBD): The 4th TPDBD was held in August 2017 in Shizuoka, Japan. • The 5th TPDBD was held in May 2018 in Korea. • Tripartite Cooperation on the Asia-Pacific Biodiversity Observation Network (AP-BON), and the East and Southeast Asia Biodiversity Information Initiative (ESABII) and Bio-Bridge Initiative: The Regional Bio-Bridge Initiative Round Table for Asia and the Pacific was held in October 2017 in Incheon, Korea. • Information Exchange, Best Practice and Experience Exchange: The three countries conducted information and experience exchange over management of invasive alien species (red imported fire ants) during the 4th TPDBD.
	B. ABS (Access and Benefit Sharing)	<ul style="list-style-type: none"> • Information Sharing to Prepare for Implementation of the Nagoya Protocol : The three countries conducted information sharing over ABS during the 5th TPDBD.
3. Chemical Management and Environmental Emergency Response	A. Chemical Management	<ul style="list-style-type: none"> • Tripartite Policy Dialogue on Chemical Management (TPDCM): The 11th TPDCM was held in November 2017 in Yeosu, Korea. The 12th TPDCM was held during TEMM20 in Suzhou, China. • Tripartite Expert Seminar on Chemical Management (TESCM): The 11th TESCM was held back to back with the 11th TPDCM.
	B. Environmental Emergency Response	<ul style="list-style-type: none"> • Progress in Risk Assessment of Environmental Disaster was reported at 14th Tripartite Presidents Meeting (TPM) (Oct 2017, Tsukuba, Japan).
4. Circulative Management of Resources/3R/Trans boundary Movement of E-waste	A. Circulative Management of Resources/3R	<ul style="list-style-type: none"> • Tripartite 3R and Transboundary Movement of E-Waste Seminar : The 11th Sound Material-Cycle Society/Circular Economy/3R and Transboundary Movement of E-Waste Seminar was held in December 2017 in Tokyo, Japan.
	B. Trans boundary Movement of E-waste	<ul style="list-style-type: none"> • Tripartite Information Sharing Channel on Ewaste Transboundary Movement Management: The three countries contacted communication on drafting tripartite newsletter format on E-waste Transboundary Movement Management. • Information Sharing on Ewaste Trans boundary Movement Flow among the Three Countries: Research institute from the three countries shared information of E-waste • Trans boundary Movement Flow during the 5th Meeting of the Basel Forum in Asia-Pacific Region on Promotion of Basel Convention Implementation, held in March 2018 in Beijing, China.
5. Climate Change Response		<ul style="list-style-type: none"> • Climate Change Mitigation Technology Research and Demonstration Experience Exchange; Information Sharing on Co-Control Technology; Climate Change Adaptation Experience Exchange; Research on Low-Carbon and Environmental-Friendly Cities Construction: The First TEMM Seminar on Response to Climate Change was held in December 2017 in Beijing, China.
6. Conservation of Water and Marine Environment	A. Water Environment	<ul style="list-style-type: none"> • Tripartite Information Sharing on Water Environment Management: The three countries introduced domestic policies on water environment management during TEMM. • Underground Water Technology Cooperation: The three countries confirmed the necessity and willingness to strengthen communication on underground water technology for exploring further cooperation.
	B. Marine Environment	<ul style="list-style-type: none"> • Tripartite Workshops on Marine Litter; Cooperation under the Framework of Northwest Pacific Action Plan (NOWPAP): The 3rd TEMM-NOWPOP Joint Workshop and the annual Marine Litter Focal Point Meeting were held in September 2017 in Toyama, Japan. The 4th TEMM-NOWPOP Joint Workshop and the annual Marine Litter Focal Point Meeting were held in June 2018 in Busan, Korea.
7. Environmental Education, Public Awareness and Corporate Social Responsibility	A. Environmental Education, Public Awareness	<ul style="list-style-type: none"> • Tripartite Environmental Education Network (TEEN): The 18th TEEN Symposium/Workshop was held in November 2017 in Suwon, Korea. • Youth Forum: TEMM Youth Forum was held during TEMM20 in Suzhou, China. • Environmental Training for Officials: The 17th Environmental Training for Officials was held in October 2017 in Jeju Island, Korea. • General Public Awareness Improvement Project: The first Trilateral Teacher's Exchange Program was held on August 2017 in Korea, supported by TCS.
	B. Corporate Social Responsibility (CSR)	<ul style="list-style-type: none"> • Cooperation on CSR on the Environment for Business Sector: The three countries discussed over CSR issue during TREB.
8. Rural Environmental Management		<ul style="list-style-type: none"> • Tripartite Rural Environment Policy Dialogue (TREPDP): The 2nd TREPDP was held in December 2017 in Tokyo, Japan.
9. Transition to Green Economy	A. Green Economy	<ul style="list-style-type: none"> • Information Exchange on Green Development/Economy: The three countries conducted communication during the 11th Sound Material-Cycle Society/Circular Economy/3R and Transboundary Movement of E-Waste Seminar. • Tripartite Joint Research on Green Economy and Low Carbon Society: The three countries continued communication over the joint research issue.
	B. Environmental and Green Industry	<ul style="list-style-type: none"> • Tripartite Roundtable on Environmental Business (TREB): The 4th TREB was held during TEMM20 in Suzhou, China. • Information Exchange on Tripartite Pollution Prevention and Control Technology: The 2nd Tripartite Environmental Industry & Technology Joint Exhibition and Tripartite Environmental Industry & Technology Forum in 2018 were held in June 2018 in Beijing, China. • Information Exchange on Evaluation, Certification and Verification of Environmental and Green Industry: CJK Working Level Meeting on Eco-labelling Common Criteria was held in April 2018 in Beijing, China.
	C. Green Supply Chain	<ul style="list-style-type: none"> • Cooperation on Regional Green Supply Chain: The three countries continued cooperation under the framework of APEC Green Supply Chain Network.
