

Closing Remarks by Minister Ishihara, at ACE Club

Thank you very much for your remarks.

We are most encouraged
by the strong messages from our partner countries.

We also heard your great expectations for the JCM.

Japan is committed to strongly cooperating with you
to promote the JCM.

Let us name the JCM signatory countries
the “ACE club”.

We plan to double
the number of ACE club members over the next 3 years.

Let me end my remarks
by expressing my commitment
to tackle climate change with my friends in the “ACE club”.

Thank you very much for your attention.
