

UNFCCC COP19 & CMP9 Japan Pavilion in Warsaw, Poland

National GHG Inventory and Japan's Support: Linkage with Biennial Update Reports

Date: Tuesday, November 12, 2013

Time: 13:00-14:30

Co-organized by

Japan International Cooperation Agency

Ministry of the Environment, Japan

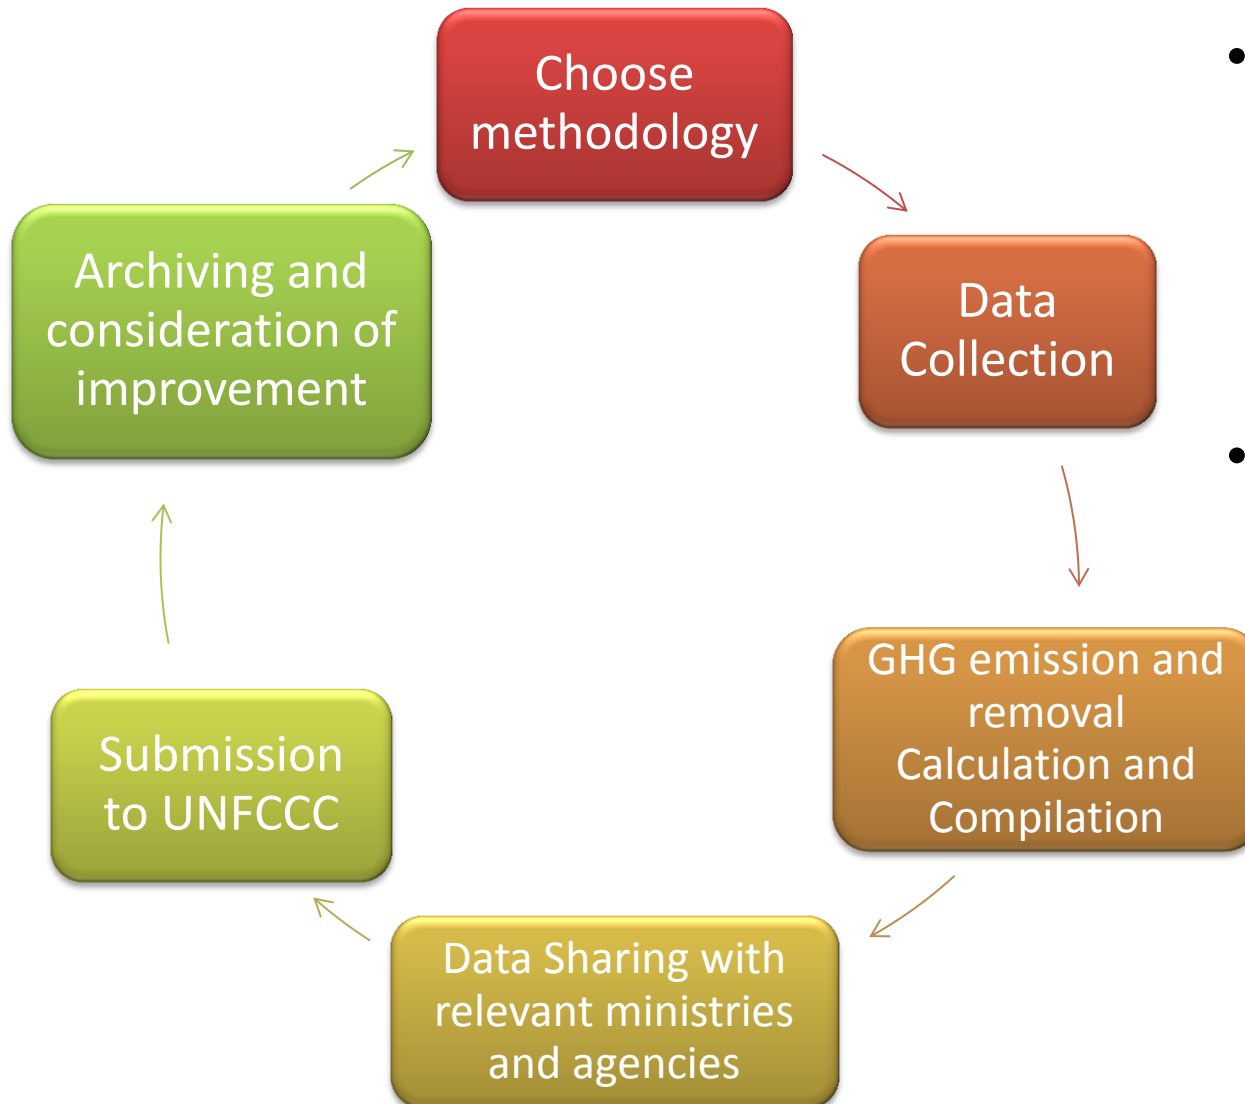

Guidance by Chair

Key items at COP19 on non-Annex I Parties' GHG Inventory preparation

- **SBI Item 4:** National communications from Parties not included in Annex I to the Convention
 - This item is relevant to
 - national communications (NCs) by non-Annex I Parties
 - Work on Consultative Group of Experts (CGE) for Non-Annex I Parties' NC preparation, including their preparation of Biennial Update Report (BUR)
 - Financial and technical supports for Non-Annex I Parties' NC preparation
- **SBI Item 5:** Nationally appropriate mitigation actions by developing country Parties
 - This item is relevant to
 - International Consultation and Analysis (ICA) on BURs

Inventory preparation cycle

- Sustainable cycle of GHG inventory preparation is essential for BUR preparation.
- Sharing of collected data through this GHG inventory preparation cycle among relevant ministries and agencies is important for sustainable GHG inventory preparation.

Questions for this side event

- How non-Annex I Parties are dealing with issues on institutional arrangement for periodical national GHG inventory preparation for NCs and BURs?
- What kinds of supports are necessary for non-Annex I Parties' periodical GHG inventory preparation?
- What kinds of supports from Annex I parties and CGE are available for non-Annex I Parties' periodical GHG inventory preparation?

AGENDA

Chair: Ms. Takako Ono, Greenhouse Gas Inventory Office (GIO),
National Institute for Environmental Studies (NIES)

13:00-13:10 [Opening Remarks](#), by [Mr. Junichi Shiraishi](#), Vice Minister for Global Environmental Affairs, Ministry of the Environment, Japan (MOEJ) (TBC)

13:10-13:15 Guidance by Chair

13:15-13:30 [Capacity building for greenhouse gas inventory in Vietnam](#),
by [Mr. Nguyen Khac Hieu](#), Department of Meteorology Hydrology and Climate Change, Ministry of Natural Resources and Environment, Viet Nam

13:30-13:45 [Japan's Support for the Preparation and Reporting of National GHG Inventory in Vietnam and Indonesia : Lessons Learned](#),
by [Mr. Takeshi Enoki](#), JICA expert (Mitsubishi UFJ Research and Consulting Co., Ltd.)
