Mitsubishi UFJ Morgan Stanley Securities presents

Can Private Sector Lead the Way?

Time / Date: 15:00-16:30, November 17, 2016

Location: Japan Pavilion, COP 22 Side Event

Scaling-up private sector's engagement in addressing **climate change adaptation** will ultimately be conducive to implementing national adaptation plans and achieving sustainable development. *But how can we make it happen?* Presenters from public and private sectors will discuss their foresights based on their experience and case studies.

≡ SPEAKERS ≡

- Adaptation Fund
- Ministry of Economy, Trade and Industry
- United Nations Environmental Programme
- International Centre for Climate Change and Development, Bangladesh
- Sumitomo Chemical Co., Ltd.
