Preface .....	i
Overview .....	vi
Contents .....	xv
Special Committee on Environmental Cooperation for Iraq: List of Members .....	xvi
List of Terms and Abbreviations.....	xvii
Chapter 1 Background and Objectives.....	1
1.1 Background to the Consideration of Environmental Assistance for Iraq.....	1
1.2 The Purpose and Objectives of the Special Committee .....	1
1.3 Details Considered.....	2
1.3.1 Scope .....	2
1.3.2 Methodology.....	3
Chapter 2 Current Status of Iraq's Environment and Ongoing Reconstruction Initiatives.....	5
2.1 Iraq's Political Processes and Social Circumstances .....	5
2.1.1 Iraq's Political Processes.....	5
2.1.2 Social circumstances.....	6
2.2 Iraq's Environmental Problems: Challenges and Assistance Needs .....	7
2.2.1 Iraq's Southern Marshlands .....	9
2.2.2 Water Supply and Public Hygiene .....	11
2.2.3 Industrial Pollution Sites .....	13
2.2.4 Other Environmental Problems .....	14
2.2.5 Organizations for Environmental Management.....	15
2.3 Japanese Reconstruction Assistance for Iraq in the Environmental Field.....	19
2.3.1 Ongoing Japanese Assistance .....	19
2.3.2 Plans and Achievements in the Environmental Field .....	20
2.4 Donor Environmental Aid and Frameworks for Coordination of Aid .....	22
2.4.1 Frameworks for International Coordination.....	22
2.4.2 Overview of Environmental Projects of International Organizations and Donor Countries .....	24
Chapter 3 Potential for Environmental Assistance by Japan.....	30
3.1 Assistance for the Rehabilitation of Iraq's Southern Marshlands .....	30
3.1.1 Identification of Issues and Assistance Goals .....	30
3.1.2 Required Approach to Marshland Rehabilitation.....	31
3.1.3 Points to Consider in Marshland Rehabilitation .....	33
3.1.4 Japanese Knowledge and Technology for Assistance .....	34
3.2 Assistance for Water Supply and Sanitation (including Waste Management).....	36
3.2.1 Assistance Goals.....	36
3.2.2 Potential for Application of Japanese Knowledge and Technology.....	37
3.3 Other Environmental Assistance (Sustainable Energy Usage, etc.).....	39
3.3.1 Assistance Goals.....	39
3.3.2 Potential for Application of Japanese Knowledge and Technology.....	39
3.4 Assistance for Improvement of Environmental Management Capacity .....	40
3.5 Common Perspectives on Environmental Assistance Project Planning .....	43
Chapter 4 Future Focus of Assistance in the Environmental Field.....	45
4.1 Cooperation Initiatives Possible under the Current Circumstances .....	45
4.2 Cooperation to Be Provided From the Mid- To Long-Term Perspective .....	47
References .....	50
