IMPLEMENTATION OF THE FRAMEWORK FOR CAPACITY BUILDING UNDER THE UNFCCC AND THE KYOTO PROTOCOL: THE ROLES OF MAJOR ACTORS

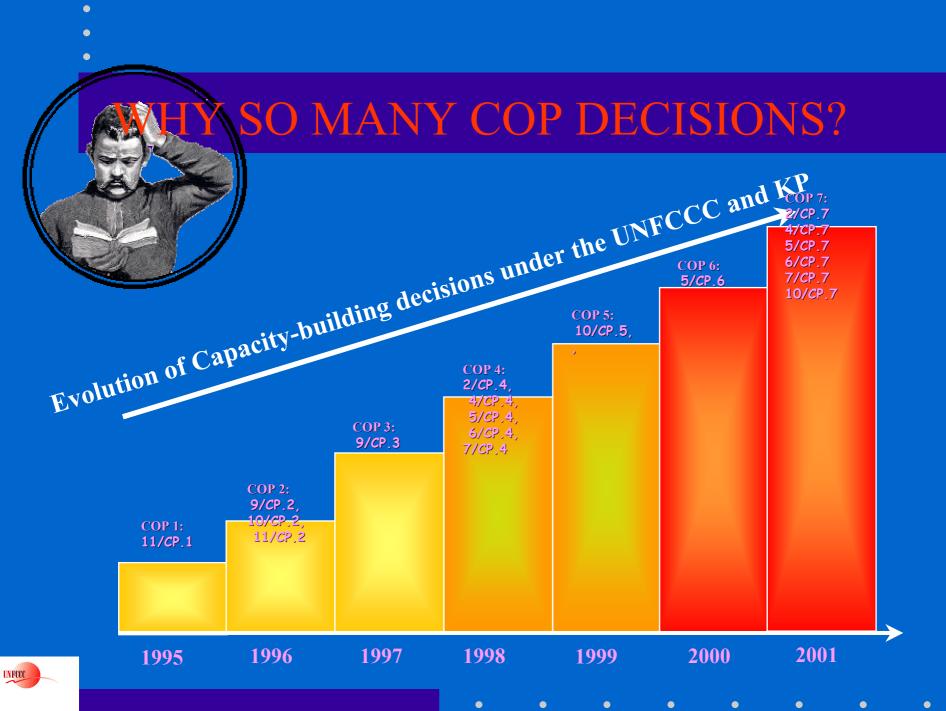

TWELFTH ASIA-PACIFIC SEMINAR ON CLIMATE CHANGE July 30-August 2, 2002, Bangkok, Thailand George Manful (Ph.D) Head : Capacity Building and GEF Liaison Unit UNFCCC Secretariat,

## OUTLINE OF PRESENTATION

- Articles of the FCCC/KP and decisions of the COP
- Purpose and principles underlying CB efforts
- Scope of capacity building activities
- The role of the UNFCCC secretariat
- The role of the Global Environment Facility
- The role of multilateral and bilateral agencies or institutions (excl. GEF)
- Timeframe & planning horizon
- Where do we go from here?

#### ARTICLES OF THE UNFCCC & KYOTO PROTOCOL

- Articles of the UNFCCC: 4.1, 4.3, 4.4, 4.5, , 4.7; 5 and 6
- Articles of the Protocol :10, paras. (c), (d) & (e) and 11

# Purpose & Principles of CB

#### CB activities to be

- country driven & implemented in an effective, efficient, integrated & programmatic manner
- maximization of synergies across environmental Conventions

#### SCOPE OF ACTIVITIES & FUNDING OF CAPACITY BUILDING

#### Scope of activities (2/CP.7)

- Institutional capacity-building, including strengthening and/or establishing national climate change secretariats /national focal points;
- <sup>®</sup> Enhancement and/or creation of an enabling environmer
- National communications / National climate change progs;
- ③ Greenhouse gas inventories, emission database management, and systems for collecting, managing and utilizing AD and EF;
   ③ Vulnerability and adaptation assessment;
- $\ensuremath{\mathfrak{S}}$  Capacity building for implementation of adaptation measures;
- ${old S}$  Assessment for implementation of mitigation options;
- Research and systematic observation;
   Development and transfer of technology;
- Simproved decision-making, including assistance for participation in international negotiations;
- 8 CDM;
- <sup>®</sup> Needs arising out of the implementation of Art.4.8/9,
- 8 Education, training and public awareness;
- <sup>®</sup> Information and networking, including establishment of DBs.

Climate change focal area funding

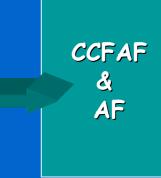

Scope of activities (decision 4/CP.7) © Development and transfer of technology -transfer of & access to technologies to ESTs and know-how, -development & enhancement of endogenous capacities and technologies

<u>Scope of activities (decision 5/CP.7- implementation of 4.8/9 and Art.2.3 and 3.14 of KP)</u>

- ⊗ Information & methodologies
- 8 Vulnerability and adaptation
- <sup>®</sup> Impact of implementation of response measures

#### Scope of activities (5/CP.7 section II-Article 4.9 (Dec.2/CP.7) Strengthening and establishing n.c.c secretariats/focal pts for implementation of FCCC and participation in K P process, Providing training in negotiating skills and language Support the preparation of NAPAs Enhancing public awareness Development and transfer of technology, particularly adaptation technology Strengthening the capacity of meteo, and hydro services to collect, analyse, interpret and disseminate weather and climate information to support implementation of NAPAs;

LDC fund CCFAF?

### ROLE OF THE GEF: NAI PARTIES

### Provision of financial & technical assistance

- Climate change focal area funding
- Special climate fund
- Adaptation fund
- LDC' fund
- Operational issues
  - GEF to adopt streamlined and expedited approach to financing CB activities
  - Elaborate country driven strategy for capacity building activities
- Reporting issues
  - Progress in GEF support for the implementation of framework to be reported annually to the COP

## The Role of multilateral agencies / institutions (other than GEF):NAI Parties

- Provision of technical & financial assistance
  - to assist DCs, in particular LDCs & SIDs in implementing framework
- Operational issues
  - encouraged to consult with DCs in formulation of programs and action plans to support CB
  - streamlined & coordinated approach to CB
- Reporting
  - to inform the COP via secretariat of CB activities to assist DCs in implementation of Framework

# THE ROLE OF THE UNFCCC SECRETARIAT: NAI PARTIES

- Cooperate with the GEF, IAs, & other entities to facilitate implementation of framework
- Collect, process, compile information on the basis of contents of
  - Natcoms of DCs,
  - Natcoms of AI Parties
  - Reports from the GEF, to assist the COP/SBs, to review progress in implementation of the framework of CB
- To provide reports to the COP at each of its sessions on activities undertaken by NAI Parties, AI Parties and funding agencies to implement framework

## Timeframe & planning horizon for capacity building (2/CP.7)

UNFCCC

Adoption of decisions 2/CP.7, 4.CP.7, 5.CP.7 6.CP.7, 7.CP.7 and 10/CP.7 Annual report of the GEF to the COP, should incl. report on progress in the implementation of 2/CP.7

Entry into force of Kyoto Protocol. COP/MOP1 to endorse C-B decisions

First comprehensive review of implementation of CB frameworks in 2/CP.7

Second comprehensive review of the implementation of CB frameworks, in 2/CP.7
