Hints for our Art.6 related Activities

Lessons learned from Japan's International Cooperation Activities

Makoto Kato

Researcher, Overseas Environmental Cooperation Center, Japan (OECC)

Outline of the Presentation

• OECC?

◆ Japan's Art.6 related international programmes implemented by OECC

Hints for Our Activities - Lessons
 Learned

Overseas Environmental Cooperation Center (OECC) of Japan

- ◆ An Implementation Agency for the Government of Japan in international environmental cooperation (MOEJ, JICA, JBIC etc.)
- Climate Change Programmes, working with stakeholders in the region.

Asia-Pacific Seminar on Climate Change

Target: Policy Makers

Provides...

- A regional vehicle for CC policy makers and Art.6 – related experts to exchange views and information.
- Opportunities for frank and nonpolitical discussion
- Multi-stakeholder approach to promote regional cooperation

May assist Art.6
Experts in
exchanging views

Providing a Forum to exchange views and experiences

Japan's International Programme

general public

AP-Net (Asia-Pacific Network on Climate Change)

AP Seminar-type Electronic Network

Provides...

- Information Clearing House
- HELP DESK SERVICE
- AP Seminar-like information exchange
- Partnership with other initiatives →e.g. CAI-Asia

What is the way of coordination with UNFCCC Clearing House?

www.ap-net.org

JICA Group Training Course

-Development of Strategies on Climate Change-

As a part of the Kyoto Initiative by the Government of Japan

Provides...

- A opportunity for NAI colleagues for capacity strengthening.
- 7 Weeks Intensive Courses-
- Lectures, Action Plan, Study Tours etc

Training (Art.6 itself).

And in the training activities, Art.6 is being incorporated.

Target:
Policy Makers
in NAI

Enhancing capacity of developing countries partners.

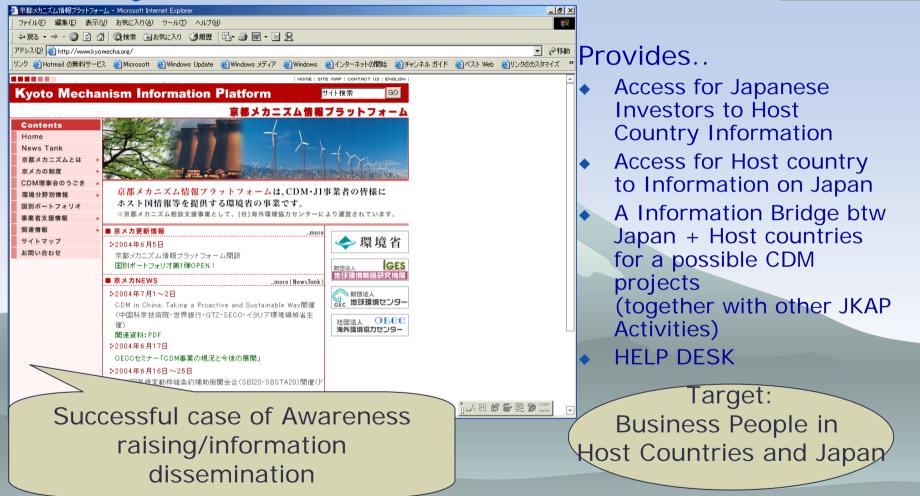

NETWORK of participants are still alive!

Japan's International Programme

Kyoto Mechanisms Information Platform

Promoting CDM opportunities information-wise

Kyoto Mechanisms Information Platform

Hints for Our Activities - Lessons Learned

- Art. 6 Activities- need to be welltargeted – who is your information customer?
- Participatory Process big challenge but more efficient, if a strong ownership is felt
- Two ways communication-not one way
- Need to be monitored, sometimes with tangible outcomes
- Awareness Raising must be with other components
- Continuation of programmes revisited with feedbacks of stakeholders, not to lose appetite

Thank you very much!!
