About the Front/Back Covers

The designs of front/back covers are the pictures from pupils in Onagawa Daiichi primary school, located in Onagawa city, Miyagi prefecture, where they have struck by The Great East Japan Earthquake and the Tsunami in March 11th, 2011.

These pictures are drawn with full of clear imaginations of their dreams, hopes and gratitude. Their pictures are also displayed in the city and encourage a lot of victims of the disaster.
