Number of vehicles in ministries and agencies (b) (units)	6,330	6,205	6,211	6,044	4,353
Ratio of LEVs (a/b)	5%	19%	45%	73%	100%

- Notes:
1. Figures for FY 2001 through 2003 are actual achievements
 2. Figures for FY 2004 are projected number and may change.
 3. Difference between units introduced and owned is due to governmental restructuring shifting agencies into independent administrative bodies, etc.
