**Core Functions of the Basel Convention
Regional Centres**

The role of the Centres is to assist developing countries and countries with economies in transition, within their own region, through capacity-building for environmentally sound management, to achieve the fulfilment of the objectives of the Convention.

The description of the core functions of the Centres is as follows:

1. Training;
2. Technology transfer;
3. Information;
4. Consulting;
5. Awareness-raising.

Institutional Framework
