

# BCRC-SEA's Activities Way Forward

**Workshop 2011 of the Asian Network for Prevention of  
Illegal Transboundary Movement of Hazardous Waste**  
Shenzhen, China, 29 November - 1 December 2011

**Aboejoewono Aboeprajitno**  
**Director**

# OUTCOME OF COP 10

## Country Led Initiative (CLI)

CLI → to improve the effectiveness of the Basel Convention

- ✦ Addressing the entry into force of the Ban Amendment
- ✦ Developing guidelines for Environmentally Sound Management
- ✦ Providing further legal clarity
- ✦ Further strengthening the BC regional and coordinating centre
- ✦ Combating illegal traffic more effectively
- ✦ Assisting developing countries which are facing specific challenges with regards to prohibiting the import of hazardous waste
- ✦ Building capacity

# ROLE OF BCRC-SEA

→ related to the implementation of  
the convention

→ strengthening the core  
functions in the future

# Future Activities

- ☐ Conduct regional meetings to socialize and exchange information among parties in the region about the Ban Amendment → support CLI and ratifying the Ban Amendment
- ☐ Develop programmes, provide training and coordinate joint actions to combat illegal traffic
- ☐ Workshop on National Report

# Future Activities

- ❑ Develop regional database on Hazardous Chemicals and Wastes Management in the region → provide information, raise public awareness and related to regional plan on ESM of Hazardous Waste  
→ **support point no.3 (providing further legal activities)**
- ❑ Consider some initiatives on management of certain priority waste stream in the region

# THANK YOU
