## ASO-KUJU NATIONAL PARK

おれ、カケス  
はのれだ。

**朝日長者伝説**  
Legend of Asahi-choja  
Once upon a time, there was a hillside named Asahi-choja. One day he playfully shot an arrow at a rice cake. Suddenly the rice cake became a swan and flew away to the east.  
From that, Asahi-choja's luck and wealth began to fall.
