

## **G8 Environment Ministers Meeting Commemorate Symposium**

### **“SATOYAMA from Asia”**

Ministry of the Environment is holding a Symposium, G8 Environment Ministers Meeting Commemorate Symposium “SATOYAMA from Asia”, at the Museum of Nature and Human Activities, Hyogo on April 26, 2008.

In this symposium, we will discuss how we can promote and propose “SATOYAMA” as a model of conservation and sustainable use of biodiversity from Asian perspective .

Participation in the symposium is free. (First-come-first-served basis)

Please apply to the secretariat (as below) by fax, e-mail or through the homepage of the museum.
