

## エコチル調査国際シンポジウム

# 「アレルギー発症に関わる環境・遺伝因子： エコチル調査等の世界的コホート研究から」

2019年11月3日(日) 14:50-17:00 幕張メッセ国際会議場 2F 国際会議室 (第二会場)

## 座長

森 千里

千葉大学 大学院医学研究院・環境生命医学教室 教授、エコチル調査千葉ユニットセンター長

Erika von Mutius MD MSc, FERS

Director of the Institute for Asthma and Allergy Prevention (IAP), German Research Center for Environmental Health

## プログラム

- |             |  |

■主催

# The JECS International Symposium Environmental and genetic factors related to the onset of allergic symptoms: From the results of children's cohort studies worldwide including JECS (Japan Environment and Children's Study)

Sunday, November 3<sup>rd</sup>, 2019 14:50-17:00

Makuhari Messe International Conference Hall 2F International Conference Room (Room 2)

## Symposium Chairs

Chisato Mori MD, PhD

Professor of Department of Bioenvironmental Medicine, Graduate School of Medicine, Chiba University  
Director of Chiba Regional Center for Japan Environment and Children's Study (JECS)

Erika von Mutius MD MSc, FERS

Director of the Institute for Asthma and Allergy Prevention (IAP), German Research Center for Environmental Health

## Symposium Program

- 14:50-15:05 The Chiba Study of Mother and Children's Health (C-MACH) and Pediatric Allergy in Japan**  
Chisato Mori MD, PhD  
Professor of Department of Bioenvironmental Medicine, Graduate School of Medicine, Chiba University  
Director of Chiba Regional Center for Japan Environment and Children's Study (JECS)
- 15:05-15:25 Environmental Factors Related to the Onset of Allergic Diseases Examined in JECS**  
Yukihiro Ohya MD, PhD  
Director of Allergy Center, National Center for Child Health and Development  
Director of Medical Support Center for Japan Environment and Children's Study (JECS)
- 15:25-15:50 Analysis Conducted by Birth Cohort Studies in EU**  
Erika von Mutius MD MSc, FERS  
Director of the Institute for Asthma and Allergy Prevention (IAP),  
German Research Center for Environmental Health
- 15:50-16:15 Environmental and Genetic Factors From COCOA Birth Cohort: South Korea**  
Soo-Jong Hong MD, PhD  
Professor, Department of Pediatrics, Childhood Asthma and Atopy Center,  
Environmental Health Center, Asan Medical Center, University of Ulsan College of Medicine
- 16:15-16:40 Eat Study: Prevention of Food Allergy by Dietary Interventions**  
Michael Perkin BSc (Hons), MB BS, DCH, MSc, MRCP, FRCPCH, PCHE, FHEA, PhD  
Reader in Clinical Epidemiology, Population Health Research Institute,  
St. George's University of London
- 16:40-17:00 Discussion**
