

## EDSTAC's (Endocrine Disruptor Screening and Testing Advisory Committee) Conceptual Framework

Takeshi Kobayashi, Former Prof., Univ. of California

Gary E. Timm, US EPA, OPPTS

EDSTAC's Conceptual Framework consists of three major Components:

- (1) the sorting and priority Setting component:
- (2) the Tier 1 Screening(T1S) component:
- (3) the Tier 2 Testing(T2T) component:

### Detailed Depiction of EDSTAC Conceptual Framework
