Hiroshima City Institute of Public Health, Yamaguchi Prefectural Institute of Public Health and Environment, Tokushima Prefectural Institute of Public Health and Environmental Sciences, Kagawa Prefectural Research Institute for Environmental Sciences and Public Health, Ehime Prefectural Institute of Public Health and Environmental Science, Kochi Prefectural Environmental Research Center, Fukuoka Institute of Health and Environmental Science, Kitakyushu City Institute of Environmental Sciences, Fukuoka City Institute for Hygiene and the Environment, Saga Prefectural Environmental Research Center, Public Relations and Public Hearing Division (Policy Planning and Coordination Bureau, Nagasaki Prefecture) Kumamoto Prefectural Institute of Public Health and Environmental Science, Environmental Preservation Division (Life and Environment Department, Oita Prefecture), Miyazaki Prefectural Institute for Public Health and Environment, Kagoshima Prefectural Institute for Environmental Research and Public Health, Okinawa Prefectural Institute of Health and Environment

(Note) Organisations responsible for sampling are described by their official names in FY 2006.

Among the analysis-related words used in this document, some are denoted by the commercial name because the appropriate generic name was not found. This does not suggest the recommendation of the use of those products by the Environment Health and Safety Division, Environmental Health Department, Ministry of the Environment of Japan (MOE).
