

ANNEX 1

STRUCTURE AND ORGANIZATION
OF THE INTERIM SECRETARIAT

The director of the Air Pollution Control Division will act as the director of the interim Secretariat (hereinafter the "Director"), and the Director will appoint the staff of the interim Secretariat as appropriate. The Director has overall responsibility for the activities of the interim Secretariat.

The Director is under the general management of the Environment Agency of Japan. However, as the content and quality of the interim Secretariat's work is concerned, the Director is subject to the direction and authorization of the working group.
