

PT. ENERGI LISTRIK NUSANTARA and ASSEMBLEPOINT Co., Ltd. Signed a Memorandum of Understanding (MOU) for the Battery-swapping Electric Bus Business in Indonesia

Overview

In the project, ASSEMBLEPOINT Co., Ltd. has been considering the possibility of introducing its battery-swapping electric bus (Smart Bus) in Indonesia including Makassar, since this fiscal year.

As a result of the needs survey in Makassar, a MOU was signed between PT. ENERGI LISTRIK NUSANTARA, a local company that showed interest in the Smart Bus, and the subsidiary of ASSEMBLEPOINT Co., Ltd. in Philippines, ASSEMBLEPOINT PHILIPPINES, INC., in last December. Then, the MOU exchange ceremony was held between the two companies in the workshop of the project in January 2026.

The two companies are going to conduct a feasibility study for establishing a joint venture company in Indonesia and conduct a demonstration operation of the bus in Makassar in next fiscal year.
