

BEMAC Corporation Signed MOU with a Leading Indian Tier 1 Automotive Parts Supplier

Overview

BEMAC Corporation, a participating company in the city-to-city collaboration project between Ehime Prefecture and the government of Tamil Nadu, is exploring the feasibility of introducing its electric three-wheelers and related technologies in India.

Through on-site surveys and online consultations, the company entered into a Memorandum of Understanding (MOU) in December 2025 with a leading Indian Tier 1 automotive parts supplier that has shown strong interest in BEMAC's technologies.

Concrete discussions regarding technology transfer are currently underway.
