

COP22/CMP12/CMA1 COP22 Japan Pavilion

MRV Development and Implementation in Indonesia

Date: Thursday, November 10th, 2016

Time: 10:30 - 12:00 pm

Venue: Japan Pavilion*

This session aims to share overview of national MRV framework in Indonesia and cases in market based mechanism, particularly the Joint Crediting Mechanism (JCM), and REDD+ sector. Development of MRV methodologies (JCM MRV system) and experiences in REDD+ sector will be explained and shared to advance discussion on MRV framework. The technical and policy issues and the counter measures for those issues such as linkage of MRV system between nation-wide and project-base, are presented which might potentially be useful in other countries.

Moderator: Ms. Yuana Rochma Astuti, Coordinating Ministry for Economic Affairs, Indonesia
