

**(ICS-CDM/JI)**  
Integrated Capacity Strengthening  
for  
the Clean Development Mechanism and Joint Implementation

**Shinichi Iioka**

**CDM Program Manager  
CDM Program  
Institute for Global Environmental Strategies (IGES)**

# ICS-CDM/JI Program

- One of the several CDM promotional initiatives funded by Ministry of Environment, Japan
- Capacity Building project for:
  - Policy-makers  
(officials from the national and local governments)
  - Industries, Business and Financial Agencies  
(private sectors, project developers, consulting firms, banks and other financial institutions, etc.)
  - Civil Society  
(local communities, research organizations, academia, and NGOs)
- Launched in October 2003
- Multi-year Program

# Approach

- Country-Wise Work Plan established with host country government
- Collaboration with:
  - Ministry of Environment, Japan (MOE-J)
  - Global Environment Centre Foundation (GEC)
  - Overseas Environmental Cooperation Centre, Japan (OECC)
  - International Organizations
- Publications:
  - textbooks on Kyoto Mechanisms focusing on CDM/JI
  - CDM Investor's Guide
- Research on the methods for CDM/JI capacity development through:
  - workshops
  - seminars

# Target Sectors & Main Area

- Waste to Energy
- Biomass and other renewable sources
- All types of small scale CDM projects

# ICS-CDM/JI Schedule 2004

April - July, 2004

Plan overall ICS-CDM/JI for targeted countries

July & August, 2004

Negotiate with ministry, or agency in a host country as to their country plan, budget, and model project

September, 2004

Select NGOs to implement country plan

Hold workshops and trainings for awareness raising, and technical procedures such as formulation of Project Idea Note (PIN), baseline, and Project Design Document (PDD) by using potential CDM projects

End of February, 2005

Publish CDM investor's guide books for each selected country

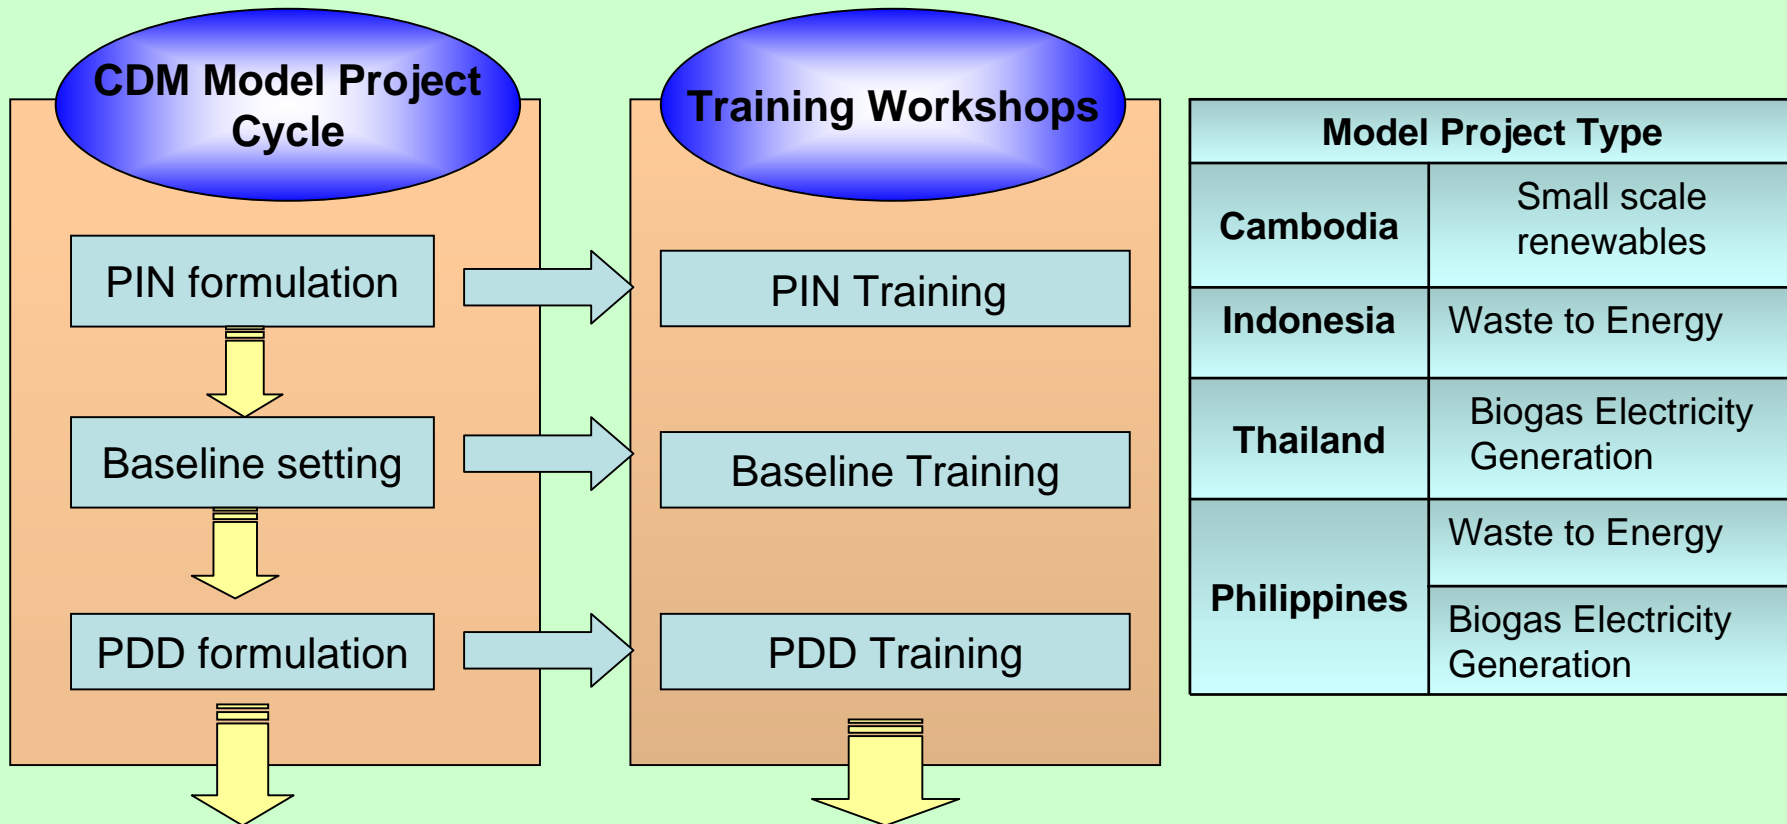

January & February, 2005

Hold a national meeting for each selected country

February or March, 2005

Convene ICS-CDM/JI Tokyo Meeting for all selected countries

# Country Activities FY 2004

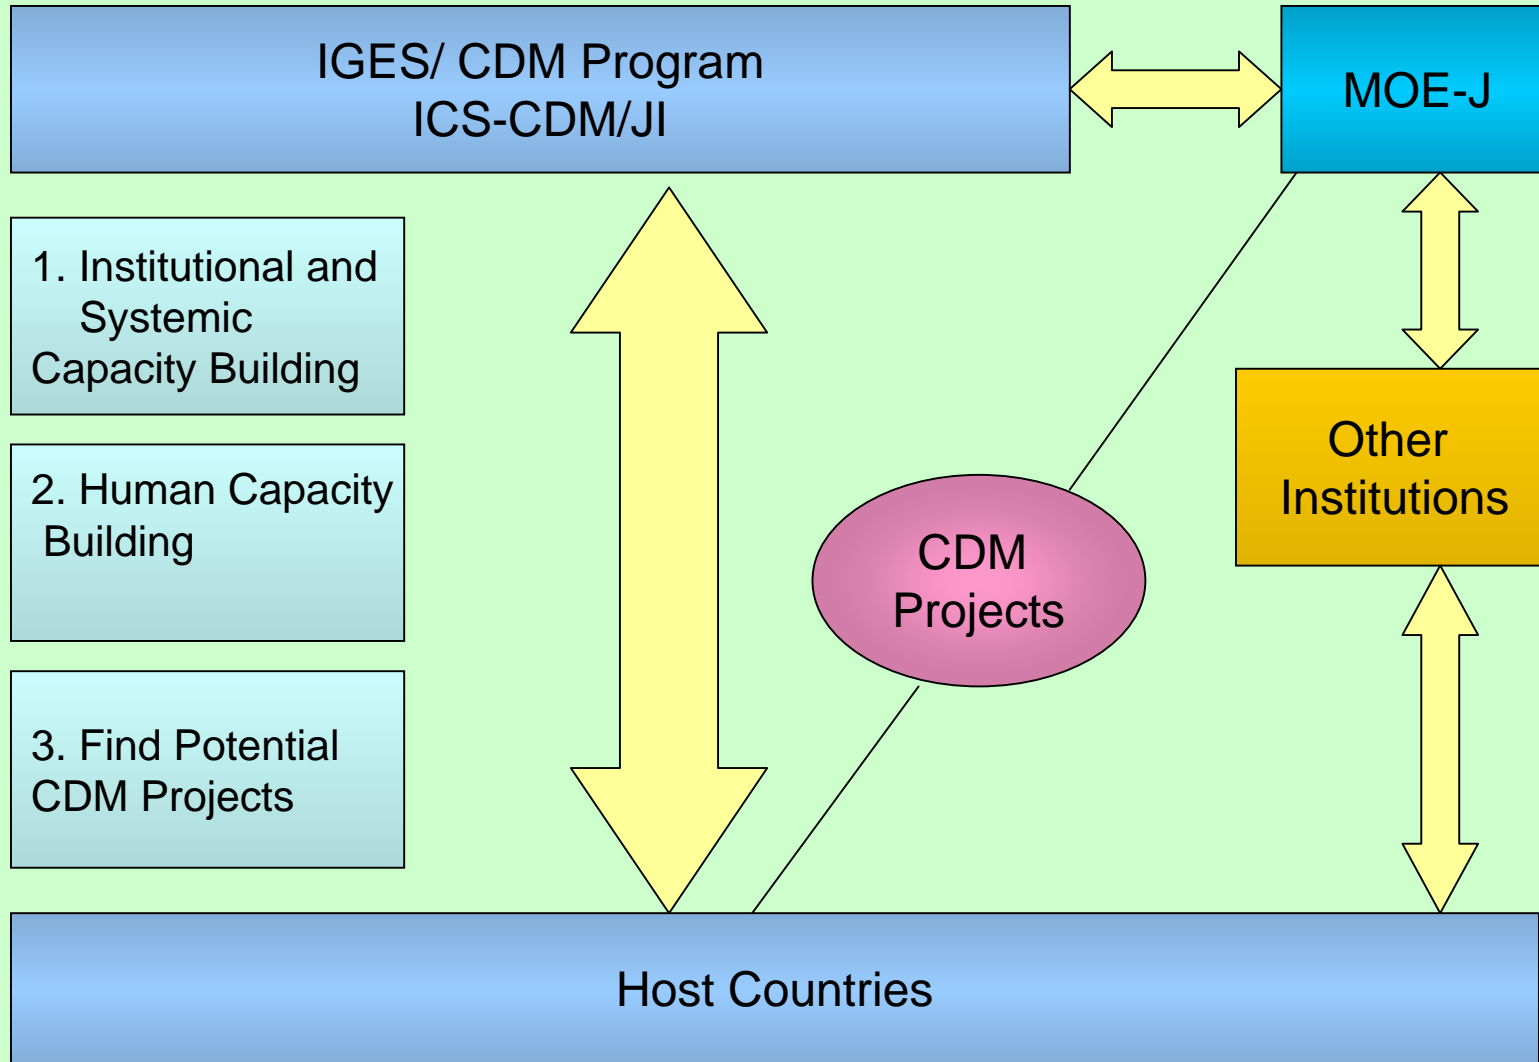

- Facilitate CDM projects development
- Accumulate know-how on CDM procedure and modalities
- Develop CDM Investor's Guide

# CDM Investor's Guide

- CDM Guide Book  
+  
FDI Information
- Practical and useful information in relation to CDM
- Easy for comparison among different countries (Cambodia, India, Indonesia, Philippines, Thailand)

- Country Profile
- Country-specific CDM information (institutional set-ups, approving process and requirements)
- FDI information for CDM projects

# ICS-CDM/JI Framework
