

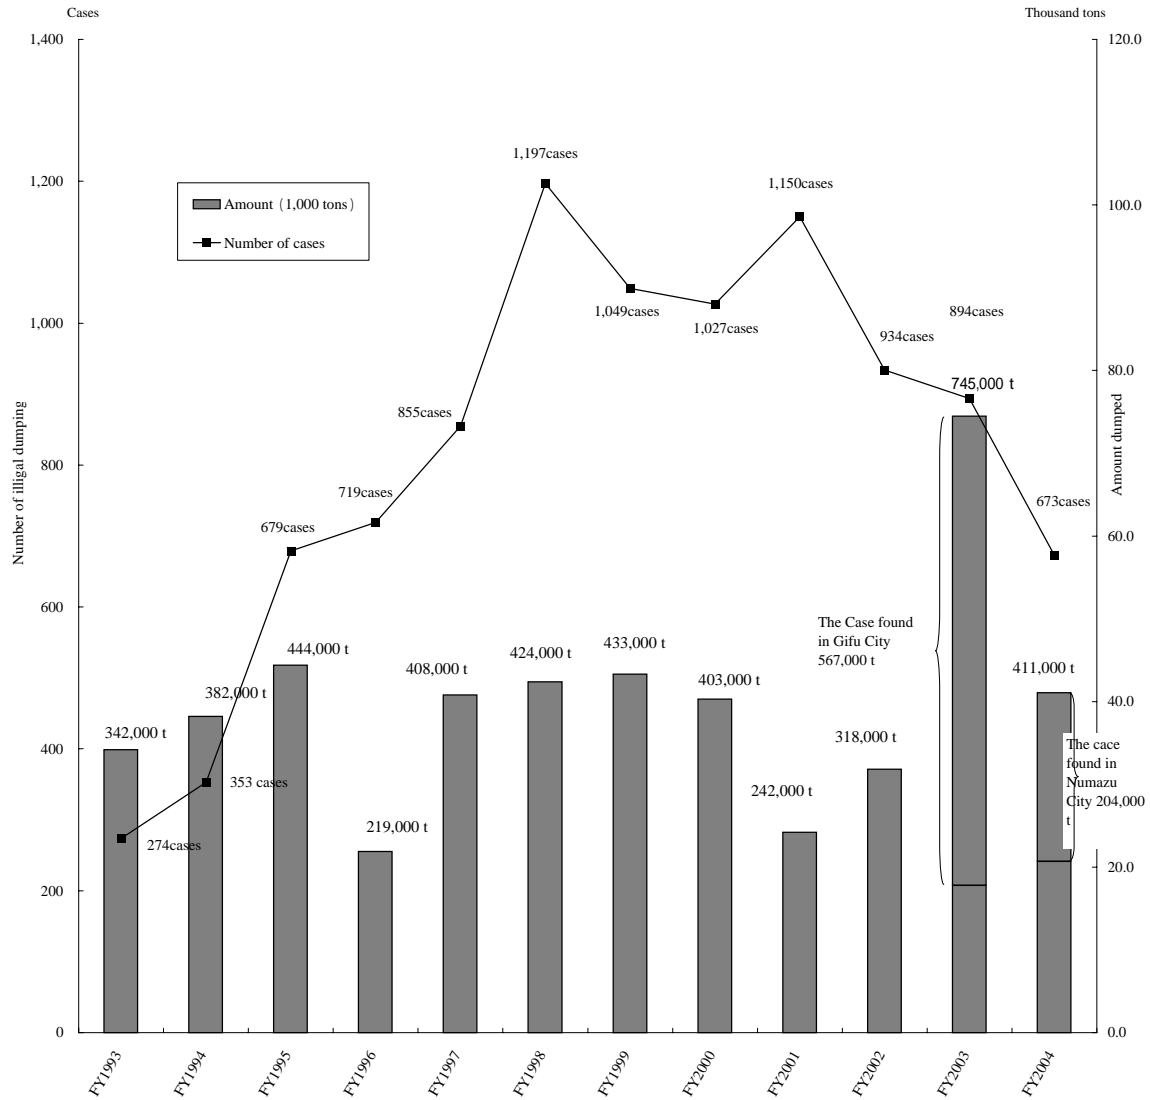

Fig 1 Changes in Number of Cases and Volume of Illegal Dumping

Notes: 1. Aggregation subjects of illegal dumping cases and volume are large scale unsolved cases with waste amounting more than 100 thousands ton  
 2. An illegal dumping case in Gifu city and Numazu city were uncovered in FY 2003 and FY 2004 respectively. Illegal dumping had been conducted for several years prior those years and were uncovered during that fiscal year.
