

## GEOC “Eco-Volunteer Day” November 13<sup>th</sup>, 2011

Global Environment Outreach Centre (GEOC) will hold an annual matchmaking event for individuals to find opportunities to be a volunteer at nonprofit organizations that contribute to achieve environmental sustainability.

30 organizations from various fields such as forestry, resource recycling, and ocean conservation will set exhibit booths and provide information about volunteering.

Anybody can browse around booths to collect information and have opportunities to talk with the organization staff.
