

## Announcement of reflections of evaluation results for Environmental policies

September 29, 2006

Ministry of the Environment

The Ministry of the Environment performs policy evaluation based on “The Ministry of the Environment (MoE) Policy Evaluation Basic Plan,” which was developed in April 2002 and amended in April 2006 according to the Government Policy Evaluations Act 2001.

The following documents were published today as reflections of these policy evaluations for Environmental policies.

- Reflection of ex post evaluation results in FY 2005 policies
- Reflection of ex ante evaluation (from October 2005 to September 2006) in policies
