

# Continuing Activities, ADB

- Promoting 3R principles in ADB Project Formulation/Design/Implementation
  - Urban Development, Energy, Transport
    - 3Rs in waste management, energy efficiency, co-benefits
    - Many initiatives and new funding mechanisms are on-going
  - Parallel to the Forum. Entry point is business as usual (line ministries, financial ministries, local governments, private sectors)
  - Opportunities for the Forum
    - Sharing info./experiences
    - Getting supports to the directions/ideas/methodologies.
    - Exploring potential projects/seeds for support
    - Seeking linkages between National 3R Strategies and project level implementation

# Potential New Activities, ADB

- Promoting 3Rs in Urban Development (Proposed Technical Assistance – supported by Japan Special Fund: US\$2M)
  - Component 1: Conduct Pre Feasibility Studies for **Cities** to Incorporate 3Rs in Urban Development Investment
    - Starting with eligible counties: BAN, CAM, INO, PHI & THI
  - Component 2: **Regional** Knowledge Sharing Activities
    - Initiate 3RKH Phase 2 Activities -- serving the Forum
    - Supporting/Conducting Analytical Studies Supporting the Forum's Objectives
