

3R Knowledge Hub Who We Are & What We Do

Asian Institute of Technology

www.3rkh.net

Main Activities

- Create, collect and capture 3R knowledge
- Storage and retrieval of 3R knowledge
- Share, enrich, and disseminate 3R knowledge

Our work...

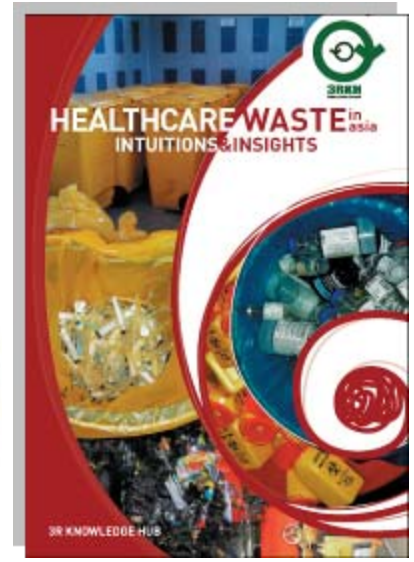

Refining and disseminating 3R knowledge

Landmark publications on 3R in Asia and Healthcare waste in Asia

Online database of 3R information

Inventory of 3R researchers

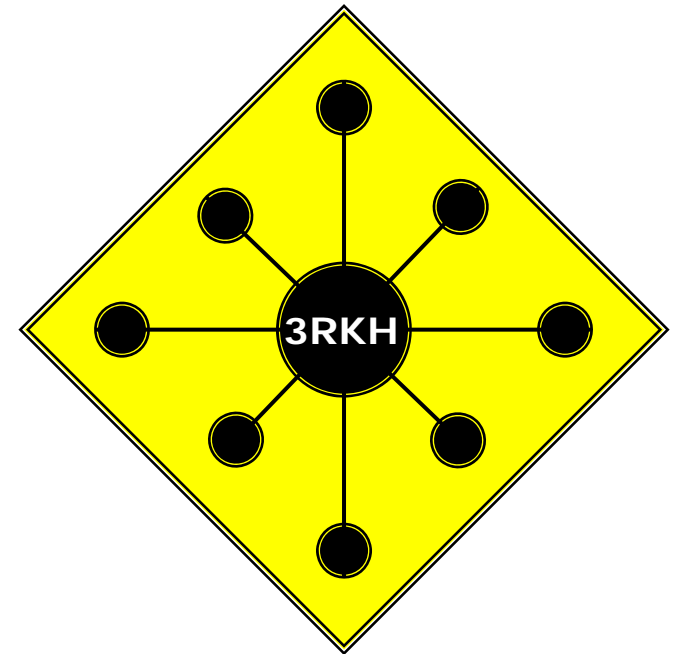

Propagating 3R as a means of sustainable consumption and production

What 3RKH can do for 3R Regional Forum

- Established contacts in Asian countries – presence for nearly 3 years (Who's who in 3R)
- In-depth knowledge on state of 3R implementation and related issues in Asia
- Networking capabilities
- Long-drawn experience in coordinating regional programmes

Serve as a pivotal organ
Facilitate information sharing and dissemination

... a hub for Regional
3R Forum
